reporting

"We have been using LocatelT for over 15 years, and over that time, developed a very close partnership with the team at Clydebuilt Business Solutions. They really understand the challenges of the Logistics sector, and provide solutions that allow Premium Warehousing to deliver at the highest standard."

Chris Lee, Premium Warehousing

"I seriously believe LocatelT has been instrumental in customer acquisition and also in retaining contracts."

Jerry Cook, Meachers Global Logistics

"This is the sort of investment that not only saves the company money, but also helps drive the business forward."

Neil Simmonds, Simmonds Transport

CLYDEBUILT

Business Solutions Ltd.

Call us on (44)141 847 1920 to discuss how we can help your business now, and into the future together.

We can arrange an online demonstration of the system, and answer any questions you may have, and follow up with a visit to understand your requirements in more depth.

We can organise a call or site visit with one of our many customers, to ensure you are confident in our ability to deliver the goods.
